

## **My ideal partner**

SW1YN Mukai Yuki

What kind of partner do I want? First, I want a partner who is cute and beautiful because my favorite actress is cute and beautiful. Cute girl is justice. I love round face. For example, Matsumoto Honoka, Nagasawa Masami and Arimura Kasumi are very cute actress. Second, I would like a partner who is smart because I am smart. If my partner is smart, I want to study English with her and I want to travel abroad with her. Third I prefer a woman who is baby boy because I love suggestive behavior. When I was high school, I loved girl friend who is baby boy. Most favorite baby boy's behavior is pampered.
